The screenshot shows the GitHub homepage with a sign-up overlay. The main heading is "Let's build from here" with the tagline "The world's leading AI-powered developer platform." Below this, there is a search bar and a "Sign in" link. The sign-up overlay is a dark blue box with the text "Welcome to GitHub! Let's begin the adventure". It contains a label "Enter your email*", a text input field with the email "ottavia.epifania@unipd.it", and a green "Continue" button. At the bottom of the overlay, there is a disclaimer: "By creating an account, you agree to the [Terms of Service](#). For more information about GitHub's privacy practices, see the [GitHub Privacy Statement](#). We'll occasionally send you account-related emails." The background of the page is dark with a colorful, abstract graphic on the right side.
